My job stinks... my woman don't love me, or your man is too mean my landlady threw me out on the street Blues got you down? Put on your Madison blue boots and rock away those blues with the Madison Blues Ride. A 155-mile ride that will wind our way through Orange and into Madison for lunch. After lunch we will head northwest of Culpepper, into Warrenton, detouring over to the Moo Thru for some blues relieving ice cream

Return to Bull Run at approximately 4:00 pm
