10:15 am Sign-In
Bristow Sheetz

Be a mensch. Ride with MHOQ.

It will take some chutzpah to think you could do better than taking time on Sunday for this ride.

Our 105-mile route starts of heading through Clifton to the Chutzpah Deli in Fairfax (menu: chutzpahdeli.com). In the afternoon, we'll follow Braddock Road up to Route 50, then go west through Middleburg and down to Marshall for a gas stop. On our final leg we roll through Warrenton and back to Manassas by 3:15 or so.
